- **½ to 1-page statement. This is NOT a formal "admission" essay.** It is just a "bio" which will help our facilitators get a sense of your interests and goals. You may also wish to discuss how you hope to use Facing History's methods in your classroom teaching. If you are attending the Institute with another teacher from your school, you have the option of writing a "joint essay" which might discuss how you would work together as a team to use FHAO's methodologies.
